

Welding & Structural Fabrication

From the Gulf Coast ► For North America

BRUMLEY
Manufacturing

Brumley's Core Services

Our production facility and our CNC processing equipment allow us to provide customers with quality products built to their exact specifications, on time and on budget. ***We specialize in:***

- Complete Packaging
- Structural Fabrication
- Skid Fabrication
- Vessel Manufacturing
- Project Management
- Pipe Spool Fabrication
- Trailer Fabrication & Assembly
- Sand-Blast & Paint
- Metal Processing

Our structural welders are certified AWS D1.1. We can provide your structural components in Aluminum, Stainless Steel, as well as Carbon Steel. ABS and DNV certifications available. Brumley Manufacturing's welding and assembly services are focused on fabricating customized solutions that adhere to ASME and API standards.

Our Vision

To build a successful and reputable manufacturing business. A business built with a knowledge team committed to providing a quality product with unsurpassed customer service. To contain long term customers through trust, quality, and on time deliveries.

Safety

Brumley Manufacturing is committed to providing a safe place to work and visit. At Brumley Manufacturing, safety is our utmost priority. Brumley Manufacturing provides daily training to all employees and conducts routine inspections. We understand that a safe workplace and atmosphere is critical to our success, quality, productivity, and our customers' trust.

Facilities

Shop	W x H x L	Crane Capacity
Process & Parts Shop	60' x 32' x 200'	20,000
Structural Shop	60' x 32' x 300'	80,000
Vessel / Pipe & High-Bay Shop	80' x 42' x 200'	100,000
Assembly Shop & Warehouse	60' x 25' x 75'	2,500
Sand Blast	50' x 75'	NA

Certifications

Capabilities

Equipment	
CNC Beam Profiler	Up to 36"
CNC Plasma/Flame Table	20' x 60' up to 5" thick
Press Brake	225 Ton
Shear	Up to 3/8" thick
Band Saw(s)	Up to 36"
Sub Arc Machines	3

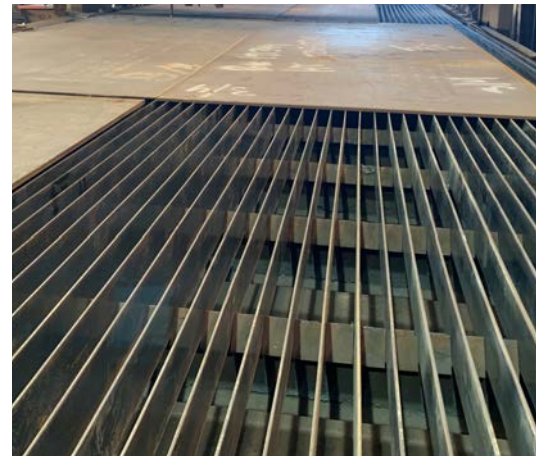

Welding Processes

- Shielded Metal Arc Welding (SMAW)
- Gas Metal Arc Welding (GMAW)
- Flux Cored Arc Welding (FCAW)
- Submerged Arc Welding (SAW)
- Gas Tungsten Arc Welding (GTAW)

Our Portfolio Of Work Is Proof Of Our Reputation

Providing goods and services to the nation's oil, gas and petrochemical industry is what we do best. And, this is just a small sample of our projects. When you're ready to build your company's reputation – choose Brumley Manufacturing.

Our Commitment To Quality

Brumley Manufacturing is committed to providing a quality product and service. We ensure that the products and services that we provide exceed our customers' expectations. We comply with the industries best practices and continually improve the effectiveness of our quality management system. Dedicated and commitment to quality and process improvement has lead us to achieve our ISO 9001 certification. Our management will follow a systematic and disciplined approach on every project.
